Camping Rates

Rates for state park campsites are subject to change. You can find up-to-date information by calling 1-800-551-6949, or visiting www.oregonstateparks.org.

Discovery Season

State park Discovery Season rates are in effect at Detroit Lake from October 1–31 and April 1–30. During those months, you can rent a full, electric or tent site for \$4 off summer rates.

Camping Restrictions

Campsites are limited to eight people per site, and **only one extra vehicle is allowed per campsite** due to environmental restrictions. All vehicles must be parked on the pavement in the site, or in a designated parking area. Once a site has two registered vehicles, no other vehicles can enter that site. We strongly recommend visitors purchase enough sites to accommodate all their vehicles. Park staff strictly enforce these regulations.

Need to cancel your reservation? Follow this guideline: If your reservation is for today or tomorrow, call 503-854-3346. Otherwise, call Reservations Northwest at 1-800-452-5687.

Day-Use Area Fees

Day-use passes are required year-round in both the Mongold Day-use Area and the campground. You may purchase a daily permit for \$3 at the entrance booth or from a nearby yellow vending machine. The 12-month (\$25) and 24-month (\$40) day-use passes are sold near the park, at Joe’s Sports and Outdoor stores in Oregon and at state park offices.
